Mr. QUILLEN, from the Committee on Rules,  
submitted the following

REPORT

[To accompany H. Res. 396]

The Committee on Rules, having had under consideration House Resolution 396, by a nonrecord vote, report the same to the House with the recommendation that the resolution be adopted.

BRIEF SUMMARY OF PROVISIONS OF RESOLUTION

The resolution provides for the consideration of H.R. 842, the “Truth in Budgeting Act” under an open rule. The rule provides two hours of general debate divided equally between the chairmen and ranking minority members of the Committees on Transportation and Infrastructure and the Budget.

The rule makes in order the Committee on Transportation and Infrastructure amendment in the nature of a substitute now printed in the bill as an original bill for the purpose of amendment. The rule also provides that each section of the committee amendment in the nature of a substitute shall be considered as read.

Members who have preprinted their amendments in the Record prior to their consideration will be given priority in recognition to offer their amendments if otherwise consistent with House rules. Finally, the rule provides for one motion to recommit, with or without instructions.
